**ABSTRACT GUIDELINES**

Speakers are asked to prepare an extended abstract of no more than six pages including figures and references. Please prepare your papers according to the following guidelines:

1. All abstracts will be submitted electronically to Ms Laura Coens. Abstracts should be submitted in Adobe Acrobat file (pdf). Abstracts provided in one of the following formats: Microsoft Word, WordPerfect, PowerPoint or Text file will be converted to Adobe Acrobat before copying to the CD Rom. All files must be PC compatible.
2. Files must be submitted as follows:
  - (i) Email to [laura.coens@afosr.af.mil](mailto:laura.coens@afosr.af.mil) at AFOSR/NI 801 N. Randolph St., Suite 732 Arlington, VA 22203-1977, 703-696-9544. Please note, if your file is over 2 megs, please either zip your file before sending or consider mailing.
3. Abstracts are due by Tuesday, 21 August 2001.
4. Please use 12 point Times Font with 1-inch top/bottom margins and 1.25 inch left/right margins. Please single-space all text and double space between paragraphs.
5. See the heading sample on the attached page. Type the title in CAPITAL LETTERS; double space; type the AFOSR grant number or LABTASK number in CAPITAL LETTERS; double space; type author name, department and affiliation (double space between authors if more than one), capitalizing the first letter of each word. After this heading, triple space, then type the text of the manuscript. Text should be justified. DO NOT INDENT. Pages may be numbered in non-reproducible blue pencil only.
6. The heading of the paper should include the title and AFOSR grant number in all capital letters. The author(s) name, department, and affiliation should be included in title case format (first letter of each word is capitalized)
7. Include an acknowledgement/disclaimer at the end of the abstract. The acknowledgement should go at the end and identify sponsoring organization(s) and grant/contract number or labtask number.

“This work was sponsored (in part) by the Air Force Office of Scientific Research, USAF, under grant/contract number F49620-XX-X-XXXX. The views and conclusions contained herein are those of the authors and should not be interpreted as necessarily representing the official policies or endorsements, either expressed or implied, of the Air Force Office of Scientific Research or the U.S. Government.”
8. References should be complete and unabbreviated. References may directly follow the abstract and do not need a separate page.
